## Rev Rebecca Allright

Hi Everyone!

I just wanted to introduce myself and the family to you before we arrive in late October/early November. I am really excited to become your priest-in-charge and expect we will all settle in quickly in such a lovely part of the world. Thank you for your prayers it really helps during a time of transition for us all.

I am a former social worker and project manager in the NHS and social care, and was ordained deacon in 2018 after training at St Hild as a full-time student on placement at St Luke's church in York. I have now completed my curacy at the parish of Carlton and Drax. We have two churches and a population of around 4,000 residents and we are not far from Howden. We've been in vacancy for a while and I have really enjoyed leading the parish since late 2021.

I am mum to Jonathan (14) who is just starting year 10 and doing science subjects, and computer science as his options. He plays piano and would like to work in computing when he leaves home. My daughter Amy (12) is enjoying hockey this term and doing really well at school, she loves chatting to her friends. My husband Steve has recently retired from being a teaching assistant, and worked in lots of different jobs over the years from export sales to being a postman! He is a life-long Chelsea supporter (which was very exciting when we met in 2004 and perhaps less fulfilling at the moment!) We have a lab called Fonsi named after one of Steve's family, and enjoy walking.

So hopefully we will see you all soon, and I look forward to meeting everyone in person. If you have any recommendations for the local area or ideas you'd like to share, even the odd prayer or hello, I can't promise to reply right away, but I have set up an email address for the new post it's [revd.allright@gmail.com](mailto:revd.allright@gmail.com) and would love to hear from everyone. I will be starting on Thursday 16<sup>th</sup> November at a special service at St Mary's, Elloughton.

With thankful prayers and hopes for a great new chapter for the benefice.

Yours  
Revd Becky
