I am really excited to be starting my first autumn season with you all. Harvest time is a great opportunity to stop and give thanks for all the hard work we've done this year, and to notice the fruit of our labours. Today as I was out with family we noticed the combine harvesters 'making hay while the sun shines'! At each church we will give thanks and support local charities in our services, as a celebration of all God has done for us.

While spiritual crops are less clearcut, as a church community we have been working hard to fundraise for our churches and to develop new services for families, and taking part in the Revitalise programme. We hope this autumn we will see this begin to bear fruit and new life and faith emerge in our communities. In all our lives together as a church community and as individuals, it's the time of year to take stock, reflect on the positives and try to see how God has blessed us, and continues to love us.
Amen.

Vestry Roof

For some time the PCC have been aware that the Vestry Roof at St Mary's was in need of some attention. This has now become urgent and we hope that repairs will be carried out in September.

The estimate for the work is £17,820 and we have raised £4000 so far. If you would like to make a donation to help with the cost so that St Mary's continues to be a well maintained building serving the community that would be really helpful.

You can make a gift by bank transfer using these details with a reference Roof:-
